**Navajo Nation Program for Self Reliance Will Not Accept Applications
for LIHEAP Until Further Notice**

WINDOW ROCK – Please be informed that the Navajo Nation Program for Self Reliance (NNPSR) is currently not accepting applications for the Low Income Home Energy Assistance Program (LIHEAP).

The LIHEAP grant funds are subject to federal appropriations and will not be available until a budget is approved by Congress.

At this time, it is uncertain when the federal budget will be approved. As a result, there will be a delay in the implementation of the Fiscal Year 2014 LIHEAP.

NNPSR will begin accepting applications when the LIHEAP grant is received.

The NNPSR will provide updates by radio, local newspapers and the NNPSR website.

For Information call (866) 347-2403 or visit www.nnpsr.navajo-nsn.gov
