I. PERIOD COVERED BY THE TRIBAL FAMILY ASSISTANCE PLAN
This Tribal Family Assistance Plan (TFAP) covers the operation of the Navajo Nation’s Tribal Temporary Assistance for Needy Families (TANF) program, known as the Navajo Nation Department for Self Reliance (DSR), for a three-year period beginning October 01, 2018 and ending September 30, 2021.

II. THE NAVAJO NATION: AN INTRODUCTION
The Navajo Nation is the largest federally recognized Indian tribe in the United States. According to the 2010 U.S. Census, 308,013 individuals claim Navajo ethnicity. Of the estimated 170,000 individuals residing on the Navajo Nation, approximately 145,000 are enrolled members of the Navajo Nation. An estimated 80,000 Navajos reside in or near “border towns” adjacent to the Navajo Nation.

The Navajo Nation land base occupies a total area of approximately 27,000 square miles and extends into three states: 65% of the total Navajo land area is in northeast Arizona, 27% is in northwest New Mexico and the remaining 7% in southeast Utah. Three (3) Navajo “satellite” communities: Alamo, Tohajiilee, and Ramah, are located in central New Mexico (see Exhibit “A”).

The Navajo Nation operates under a three (3)-branch government system centrally headquartered in Window Rock, Arizona:

- The Executive Branch, headed by an elected President and Vice President, is comprised of twenty-one (21) Divisions and Executive offices that provide a broad range of governmental services.
- The Legislative Branch, headed by an elected Speaker of the Navajo Nation Council, consists of a twenty-four (24) member elected Navajo Nation Council and various offices and boards.
- The Judicial Branch, headed by an appointed Chief Justice, is comprised of a system of eleven (11) District Courts and a Supreme Court.

III. ADMINISTRATION OF THE NAVAJO NATION’S TRIBAL TANF PROGRAM
A. Lead Agency and Organizational Structure
The DSR is responsible for the overall administration of the Navajo Nation’s TANF program to provide Tribal TANF assistance and related support services to individuals and their families who meet established eligibility criteria.

The DSR is established under the Navajo Nation Division of Social Services (NNDSS) within the Executive Branch of the Navajo Nation (see Exhibit “B”). The DSR organizational structure (see Exhibit “B”) consists of a Department Manager III who is responsible for managing the DSR, four (4) administrative support offices, and eight (8) local offices responsible for providing direct services and assistance to DSR Customers.
Legislative oversight is provided to the DSR by the Health, Education and Human Services Committee (HEHSC) of the Navajo Nation Council, pursuant to authority and powers granted to the Committee in the Navajo Nation Code. The HEHSC provides legislative oversight on matters involving health, social service, education, general governmental services and human services.

B. DSR Vision Statement
To eliminate future dependency of children and families on government assistance by promoting T’áá hwó ájít’eego.

C. DSR Mission Statement
We shall serve, with integrity and ethics, to empower individuals and families by promoting T’áá hwó ájít’eego, through appropriate support, opportunities and education.

NOTE: T’áá hwó ájít’eego is defined on page 4, under Background of the Department for Self Reliance.

D. TANF Purposes
The DSR applies the four (4) purposes of the Personal Responsibility and Work Opportunity Reconciliation Act to:

1. Provide assistance to Needy Families so that children may be cared for in their own homes or in the homes of relatives;
2. End the dependency of needy parents on government benefits by promoting job preparation, work, and marriage;
3. Prevent and reduce the incidence of out-of-wedlock pregnancies;
4. Encourage the formation, maintenance, and strengthening of two-parent families.

E. DSR Goals and Objectives
Goal 1: To facilitate the successful nurturing of children in their own homes by promoting healthy home environments and strengthening family values. Objectives:

a. Annually, ten percent (10%) of adult Customers who report experiencing barriers to providing a healthy home environment will report a decrease in those barriers based on a pre- and post-assessment.

b. Annually, ten percent (10%) of DSR children in the care of a Relative/Non-Relative Caretaker will be successful based on a pre- and post-assessment.
Goal 2: To reduce dependency on Government benefits by preparing DSR Customers for long-term employment.

Objectives:

a. Annually, ten percent (10%) of adult benefit group members who are not work-ready and received assistance for at least six (6) consecutive months during the fiscal year will improve their basic skills performance in preparation for the workforce, based on a pre- and post-assessment.

b. Annually, ten percent (10%) of adult benefit group members who are not work-ready and received assistance for at least six (6) consecutive months during the fiscal year will reduce their job-readiness barriers in preparation for the workforce.

c. Annually, five percent (5%) of adult benefit group members who are job-ready and received assistance for at least six (6) consecutive months during the fiscal year will obtain sustainable employment.

d. Annually, fifty percent (50%) of the adult benefit group members who obtained sustainable employment will remain continuously employed for at least six (6) months.

Goal 3: To promote and strengthen responsible parenting.

Objectives:

a. Annually, ten percent (10%) of DSR families who completed a parenting skills activity will report an increase in parenting skills, based on a pre- and post-assessment.

b. Annually, ten percent (10%) of DSR families who completed a family planning activity will report an increase in knowledge of responsible family planning, based on a pre- and post-assessment.

Goal 4: To promote and strengthen healthy family relationships.

a. Annually, five percent (5%) of DSR families who received assistance for at least six (6) consecutive months during the fiscal year will report an increased and more balanced sharing of co-parenting responsibilities, based on a pre- and post-assessment.

b. Annually, ten percent (10%) of DSR families who received assistance for at least six (6) consecutive months during the fiscal year will report strengthening and/or maintenance of their relationships, based on a pre- and post-assessment.
F. Background of the Department for Self Reliance

The foundation of the DSR is based on the Navajo values and teachings of living life in harmony and balance or Hozho K’eh lina. These Navajo values and teachings have been passed down from one generation to the next, having helped the Navajo people endure and overcome challenges. With these teachings, the Navajo Nation chose to take on the challenge of turning the curve from the cycle of dependence by establishing a TANF program that promotes responsibility, decision-making, and self-reliance.

The concept of T’áá hwó ájit’eego is a powerful teaching that promotes living life with a purpose, making conscious decisions, exercising personal discipline and taking responsibility for one’s life. By promoting T’áá hwó ájit’eego, personal attributes of self-respect, perseverance, and conducting one’s self with courage and potential are strengthened.

The DSR Service Delivery Model has four (4) progressive stages of learning and personal development that result in successful outcomes of DSR families.

NITSÁHAKÉÉS (Thinking): To promote personal responsibility by educating Customers on welfare reform, reducing dependency on public assistance by creating educational and career opportunities, providing assistance to eligible Needy Families to meet their basic needs, and addressing social dilemmas by identifying and providing referrals to key resources.

NAHAT’Á (Planning): To create a Customer-centered environment that encourages personal change by assisting Customers in identifying specific opportunities that foster a positive outcome.

AADÍÍĽĽ (Doing): To implement a plan of action based on a Customer’s identified strengths and barriers while establishing and providing opportunities for Customers to enhance their knowledge, skills and abilities and gain experience that will help them become self-reliant.

BEE NIISÉÉLDOO (Growing): To recognize Customers taking responsibility for themselves and their family members toward self-sufficiency.

These four (4) traditional teachings guide and serve as a model for development of one’s well-being and promotes Hozho K’eh lina.

G. Assurances

1. Forty-five (45)-day Public Comment Period

DSR conducted a public comment period, from November 6, 2017 to December 29, 2017, to educate the public on this TFAP and collect input on improving DSR services and assistance. The public hearing dates and locations were announced on area radio stations, in area newspapers, in the DSR Newsletter, and on the DSR website. Twenty-six (26) public hearings were held in locations on or near the Navajo Nation and a copy of the TFAP was posted on the DSR website for public review and comment.
In addition, copies of the plan were distributed to stakeholders, meetings were held with partner programs to orientate them about the contents in the plan, and comment sheets were distributed for the public to complete and return to the DSR. The comments received were considered and, where appropriate, were incorporated in the plan.

2. Tribal Administrative Approval

In accordance with Navajo Nation law, the Navajo Nation’s TFAP was reviewed by the appropriate Navajo Nation offices prior to signature of the President of the Navajo Nation.

3. Fiscal Accountability Provision

For each fiscal year, the DSR will comply with the fiscal accountability provisions of Section 5(f)(1) of the Indian Self-Determination and Education Assistance Act (25 USC 450c (f)(1)), relating to the submission of a single-agency audit report required by chapter 75 of title 31, United States Code.

DSR established internal controls to enhance fiscal accountability, prevent, identify and deter fraud, recover and reconcile improper payments, and to assure compliance with all applicable regulations.

Customers dissatisfied with a decision made by the DSR to deny, reduce, suspend, sanction, or terminate assistance are afforded an opportunity to dispute the decision and, if necessary, have an appeal hearing, pursuant to the procedures set forth in the DSR’s Pathway to Self Reliance Policy Manual.

5. State Agreements to Serve Non-Indian Families

Pursuant to 45 CFR 286.75(d)(2), letters were received from the States of Arizona, New Mexico and Utah authorizing the DSR to serve Non-Indian families residing in the DSR’s Service Delivery Area and provides that Non-Indian families are subject to Tribal TANF program rules. The State Agreements are attached as Exhibit “D”.

6. Equitable Assistance and Services

Eligible families moving into the DSR Service Delivery Area will receive the same amount of assistance and/or applicable non-assistance and supportive service(s) as all other eligible individuals and families.

7. Assurance of Protection of Customer Confidentiality

Pursuant to the Navajo Nation Privacy and Access to Information Act (CAP-48-99), the DSR’s Professional and Ethical Standards of Employee Conduct and DSR Pathway to Self Reliance Policy Manual, the DSR assures it will uphold and protect the confidentiality of DSR Customers.
8. Prevention of Duplicative Assistance

Pursuant to 45 CFR 286.75(f), a family cannot receive assistance from the DSR while simultaneously receiving similar assistance from another State or Tribal program. The means by which the DSR will assure prevention of duplicative assistance include:

a. The DSR Application for Assistance includes a question regarding current and prior public assistance received by family members. The Application also includes a section where Customers acknowledge they understand their responsibility to provide complete and accurate information, report changes timely and cooperate with DSR staff.

b. Conducting thorough eligibility determination interviews to solicit responses that may indicate potential receipt of similar assistance.

c. If there is an indication that an applicant may be currently receiving similar assistance (State or other Tribal TANF, General Assistance or Supplemental Security Income) at the time of application, contact will be made with the applicable State/Tribal program(s) to verify the applicant is currently not receiving assistance from the State or Tribal program.

d. The DSR Pathway to Quality Services staff development training requires continuous development in the areas of quality case management.

e. The DSR Fraud Investigation Unit will investigate potential fraud.

f. The DSR Quality Assurance Section will review case management decisions rendered by DSR staff.

IV. EMPLOYMENT OPPORTUNITIES, COLLABORATION AND OUTREACH

A. Employment Opportunities

The DSR will coordinate and collaborate with private and public employers in and around the DSR Service Delivery Area to prepare Customers for long term, sustainable employment, identify and create employment for job-ready Customers, establish work experience and on-the-job training opportunities, and plan and/or implement other activities that will increase the marketability of and employment opportunities for DSR Customers.

Existing public sector employment opportunities are Navajo government programs, schools, Indian Health Services, Bureau of Indian Affairs, non-profit organizations, and other locally driven opportunities. Existing private sector employment opportunities are Navajo owned-businesses, regional small businesses, near-reservation businesses, and other outside franchises.

The DSR Education and Career Services (ECS) enhances and increases employment opportunities for DSR Customers through Subsidized Adult Employment (SAE), Subsidized Youth Employment (SYE), Extended Training (ET), and Work Experience (WEX) placement with employers. ECS will provide case management for Customers by establishing goals and steps, monitoring progress in ECS activities, evaluating employability, assessing Customer strengths and barriers, and following-up with Customers after employment.
DSR complies with State, Federal, and Tribal employment laws, including the Navajo Preference in Employment Act (NPEA) for employers conducting business within and near the Navajo Nation.

B. Collaboration and Outreach

The DSR collaborates, coordinates and conducts outreach with partner programs, key stakeholders and other resources to assist Customers and their families to gain skills, knowledge, education, opportunities, and employment to become self-reliant. Collaboration and coordination includes establishing Memoranda of Understanding to strengthen working relationships to achieve desirable outcomes for Customers.

Partner programs, key stakeholders and resources include State and Tribal public assistance programs, mental and behavioral health service providers, child care programs, education and training programs, secondary and post-secondary educational institutions, programs for the elderly/grandparents, non-profit organizations, programs providing transportation services, intervention and prevention programs, domestic violence programs and service providers, traditional/cultural service providers, and health and wellness programs.

V. SERVICE DELIVERY AREA

The DSR will provide assistance and services to the following areas:

A. All communities within the Navajo Nation, including Trust lands, Fee lands and the satellite communities of Alamo, Tohajiilee, and Ramah (See Exhibit “A” for a Navajo Nation map); and

B. The city limits of a federally designated Near Reservation community, where the identified head-of-household or a Benefit Group member has a Navajo Census Number.

The DSR recognizes the existing “near reservation” communities listed at: Federal Register Vol. 44 No.9, dated Friday, January 12, 1979, pp. 2093-4 as the official “near reservation” communities for the DSR. The list of designated “near reservation” communities within the DSR Service Delivery Area is attached as Exhibit “C”.

VI. SERVICE POPULATION

The DSR will provide assistance and services to the following populations:

A. All eligible federally recognized American Indian and non-Indian families living on the Navajo Nation, including Trust Lands and the satellite communities of Alamo, Tohajiilee, and Ramah (See Exhibit “A” for a Navajo Nation map).

B. Eligible families, including child-only cases living within the city limits of a federally designated Near Reservation community, where the identified head-of-household or a Benefit Group member has a Navajo Census Number.
C. Individuals included in an approved Benefit Group who are temporarily absent from the DSR Service Delivery Area for one (1) of the following purposes will be considered domiciled at their permanent residence and may continue to receive assistance for the duration of the treatment, education, training, or services subject to adherence with established conditions.

1. An adult receiving education, training, or on-the-job training must remain enrolled and make satisfactory progress in the educational/training program.

2. Customers receiving medical/non-medical treatment must comply with their treatment plan, as prescribed or outlined by a certified and/or licensed physician, counselor or therapist.

3. An adult whose presence is required while an immediate family member receives medical/non-medical treatment.

4. Customers receiving domestic violence related services must comply with their service plan as developed by a person trained in domestic violence.

The temporary absence shall not exceed ninety (90) calendar days from the date the Customer(s) depart(s) from the SDA, unless a justifiable reason exists to extend the temporary absence for up to an additional ninety (90) calendar days. Under no circumstance shall a temporary absence exceed one hundred-eighty (180) calendar days from the date the Customer or Benefit Group member first left the SDA.

VII. TIME LIMIT

A. The Time Limit for an adult or minor parent to receive DSR assistance is sixty (60) countable months, whether or not consecutive. The time limit does not apply to minor children.

B. All prior months of TANF assistance received from a State or other Tribal TANF Program will count towards the DSR’s time limit, except for any month that was exempt or disregarded by statute or regulation (45 CFR Part 286, Section 125).

C. Applications submitted by an Adult who has received sixty (60) Countable Months of Assistance shall be denied, unless they are applying for continued assistance and are granted a Hardship Exemption.

D. Rationale for Time Limits

DSR will use the maximum number of months to prepare Customers for self-sufficiency because the majority of DSR Needy Families reside in remote areas with limited economic and employment opportunities that contribute to Customer needing an extended amount of time to gain the education or skills necessary to become self-reliant.
E. Exemptions to Time Limit.
   A month of assistance will not count toward the 60-month time limit if the adult or minor parent:
   
   1. Is not included in the Benefit Group and the Benefit Group only includes minor children, or
   2. Received assistance while residing in Indian Country where the official not-employed rate, for the month they received assistance, is greater than 50%. The exterior boundaries of the Navajo Nation, including trust/fee lands, and the satellite communities of Alamo, Ramah, and Tohajiilee are considered Indian Country.

F. Hardship Exemption
   A hardship exemption from the DSR Time Limit may be granted to an adult experiencing a condition that hampers or inhibits his/her ability to maintain work or enter into work related activities. If an adult benefit group member is granted a hardship exemption, the month is not counted towards their sixty (60) Countable Month time limit. Adults granted a hardship exemption are included in the overall work participation rate. (45 CFR 286.120)

   Examples of a hardship include, but are not limited to:
   
   1. Adult victims of domestic violence whose participation in work activities may cause an immediate threat to his/her own safety or the safety of his/her children.
   2. Adults who have a medical condition, as confirmed by a physician, that prevents the individual from participating in work activities.
   3. Adults with significant cognitive, physical, and/or mental disabilities that limit their educational and job skills attainment and/or their ability to secure and retain employment due to a disability (documentation of disability is required).
   4. Adults responsible for the full-time care of an elderly person or a disabled dependent (documentation of disability is required).
   5. Families who are homeless due to vandalism, hazardous living conditions, acts of nature, or their home is destroyed by fire and is uninhabitable
   6. Families who are homeless due to eviction.

   Hardship Exemptions will be assessed on a monthly basis and will be limited to no more than twenty percent (20%) of the average monthly caseload.
VIII. ELIGIBILITY FOR DSR ASSISTANCE AND SERVICES

Eligibility for DSR assistance and services is as established in this approved Tribal Family Assistance Plan. Only Needy Families, as defined in this plan, may receive (a) any form of federally or State MOE funded “assistance” (as defined in 45 CFR 286.10); or (b) any benefits or services pursuant to TANF purposes 1 or 2. “Needy” means financially deprived based on income and resource criteria established in this plan to receive DSR assistance and services.

The Tribe may use segregated Federal TANF funds to provide services (and related activities) that do not constitute “assistance” (as defined in 45 CFR 286.10) to individuals and family members who are not financially deprived but who need the kind of services that meet TANF purposes 3 or 4. Objective criteria will be established for participation in these services and activities. Unless the State instructs otherwise, the Tribe may also use MOE funds to pay for non-assistance pro-family activities for individuals or family members, regardless of financial need. Objective criteria will be established for participation in these activities.

Required Certifications
CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

   Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

   Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;
Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about
   
   (1) The dangers of drug abuse in the workplace;
   
   (2) The grantee's policy of maintaining a drug-free workplace;
   
   (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
   
   (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will--

   (1) Abide by the terms of the statement; and

   (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

DSR Offices located in: Window Rock, AZ; Chinle, AZ; Tuba City, AZ; Kayenta, AZ;

Greasewood, AZ; Gallup, NM; Crownpoint, NM; Farmington, NM

Check if there are workplaces on file that are not identified here.

**Alternate II. (Grantees Who Are Individuals)**

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
